

Governor’s Advisory Council for Student Safety & Well-Being

Small Group Presentations & Questions

November 12, 2025

Directions:

- 1. Listen to the presentation;
- 2. Allow members to ask questions to the presenter;
- 3. Then, engage the advisory council members in the following questions.

Questions:	Notes:
What were your takeaways from this presentation regarding your topic?	
Based on what you learned, what implications are there for improvements to policies, practices, or procedures in our NC schools and what specific recommendations do you believe this group should be making in our 2026 report to the Governor?	
What additional learning or information do you all need to best make policy recommendations to the Governor on this topic?
