

Governor's Advisory Council for Student Safety & Well-Being

Small Group Discussion

Advisory Council Member Note-Taking Sheet

Directions: Advisory Council members will engage in a small group discussion about their chosen topic area (student safety; student well-being; or student physical health). The staff note taker will guide the group's discussion using the questions below and will take notes of the discussion.

Questions:	Notes:
What, specifically, would you want to learn more about this topic over the course of our meetings this year?	
Who would you want to hear from on this topic over the course of our meetings this year? (Consider subject matter experts, specific stakeholder groups, etc.)	
<p>The Advisory Council will provide recommendations to the Governor next year on this topic for improvements in our NC public schools.</p> <p>Knowing you all will provide recommendations for improvements, what other information would you want to receive over the course of our meetings to prepare to create these recommendations?</p> <p>i.e. Are there funding issues to consider? Human resource issues to consider?</p>	
Do you have any other notes or comments to provide?
