Noncompetitive:

Add under Basic (Noncompetitive): Automated Victim Notification Services (NCSAVAN) (odd years only)

Competitive:

Limits: No more than two (2) applications from a competitive priority will be allowed.

Growth: Caps and 0% growth.

1. Underserved: Only one application in the Underserved Priority is allowed. For example, an agency cannot apply for an Underserved 1.a. and 1.b project.

VOCA requires funding be allocated to projects serving “previously underserved populations of victims of violent crime”. Underserved populations may be distinguished by crime type or by demographic characterizations. These populations may require special consideration/services due to possibly being overlooked in the past or not having access to adequate services. Under this funding priority, programs should look to develop and/or continue implementing programs that address underserved crime victim groups by providing an array of direct services. Programs that can be replicated are of special interest. Proposals should describe services to a population that is defined by your community to be an underserved community.

Local: 1-4 counties – \$250,000

Regional: 5-50 counties – \$500,000

Statewide: 51+ counties – \$750,000

Underserved - Crime Type (check one)

- c. SA
- d. DV
- e. Survivors of Homicide Victims
- f. Services for Victims of Financial Fraud and/or Identity Theft
- g. Drunk driving

If your project is targeting specific populations within a crime type above, then further select the Underserved – Demographic and/or Special Population (check all that apply, please note there is no extra points for selecting a population or multiple populations).

- i. African/African American
- ii. American Indian/Tribal Communities
- iii. Latinx Communities
- iv. Asian/Pacific Islander
- v. Middle Eastern
- vi. Immigrant (Undocumented and Documented)

2. Legal Services

Proposals will be accepted for state, regional or local legal services non-profit agencies to provide legal services to victims of crime. This includes emergency legal assistance by an attorney, and allowable civil legal assistance provided to victims of crime.

All proposals must comply with NCGS 84-5.1 and must also include a written interagency agreement to include local victim service providers.

Local: 1-4 counties – \$250,000

Regional: 5-50 counties – \$500,000

Statewide: 51+ counties – \$2,000,000
