OVC is pleased to announce the <u>2023 National Crime</u> <u>Victims' Rights Week (NCVRW) theme</u> "Survivor Voices: Elevate. Engage. Effect Change." Which calls upon communities to amplify the voices of survivors and create environments where survivors have confidence that they will be heard, believed and supported.

Join OVC as they commit to elevating and engaging survivors to lift their voices, inform policy and practice, and affect change. Learn more about <u>NCVRW</u>.

Good Stewardship of Federal Funds

New grants are opening! GCC works closely with each subrecipient to ensure we are all good stewards of federal dollars.

If you've recently been awarded a GCC grant, your grant administrator will send you a self-assessment form. This form identifies areas where communication with Project Directors will come in handy during project monitoring. The form addresses staff and board member experience, agency internal controls, agency-to-board communication, audits and financial reviews. Please complete and return the form to your GA within 90 days of your project opening.
