7. Explain Reason For Proposed Rule(s): The Board is fee funded and is not supported by the General Fund of the State of North Carolina. The Board has seen a fund balance decrease of approximately \$50,000 in the last year; therefore, it is necessary to increase the licensing fee in order to cover costs. The Board is increasing the licensing application fee from three hundred seventy-five dollars (\$375.00) to five hundred dollars (\$500.00), an amount allowed pursuant to N.C.G.S. 74D-7. The Board has approximately 400 licenses; therefore, the \$125 increase to the licensing fee will result in approximately \$50,000 increased revenue.

8. Procedure for Subjecting a Proposed Rule to Legislative Review: If an objection is not resolved prior to the adoption of the rule, a person may also submit written objections to the Rules Review Commission. If the Rules Review Commission receives written and signed objections in accordance with G.S. 150B-21.3(b2) from 10 or more persons clearly requesting review by the legislature and the Rules Review Commission approves the rule, the rule will become effective as provided in G.S. 150B-21.3(b1). The Commission will receive written objections until 5:00 p.m. on the day following the day the Commission approves the rule. The Commission will receive those objections by mail, delivery service, hand delivery, or facsimile transmission. If you have any further questions concerning the submission of objections to the Commission, please call a Commission staff attorney at 919-431-3000.
