Field Liaison Officer Program

A Field Liaison Officer (FLO) is an identified person (sworn or non-sworn) within the law enforcement, emergency services, private sector entity who is responsible for reporting and disseminating suspicious activity and other criminal information to their local agency and to ISAAC.

The Field Liaison Officer (FLO) Program develops and sustains meaningful integration of a region-wide network of law enforcement officers in order to combat all crimes, including terrorism.

As a FLO, you will act as a liaison between your FLO District Coordinator and other law enforcement agencies and private sector entities in your respective region -

(Sheriff's Offices, Police Departments, Power Plants, Corporate Security, etc).

The basic duties of Field Liaison Officers include:

Receive leads that originate from within your agency/organization regarding terrorism or criminal activity and forward the information to ISAAC for collection and analysis.

Review all information received from ISAAC for a possible nexus to terrorism or criminal networks that may be in your jurisdiction or organization.

Serve as your agency's point of contact for ISAAC.

Develop a partnership with neighboring FLOs.

Handle and safeguard classified information.

Keep current on major criminal or terrorist activity and trends.

Attend FLO meetings, conferences, workshops and training.
