Dare County Concerns and Challenges

- NC12 from Hatteras is a two lane roadway subject to flooding and possible washouts
- Hatteras Ferry is key to evacuation
- Herbert G. Bonner Bridge is the only bridge connecting Hatteras Island to the mainland. In the event it becomes impassable, emergency ferry docks are in place in Rodanthe and Stumpy Point.
- Much of the evacuation routes are two lanes
- Volume of traffic lights in the event of a power outage
- Flooding in low-lying areas
- If the Virginia-Dare or Alligator River Bridge becomes impassable
- Communication issues

Dare County Lodging Locations

- Roanoke Island Festival Park Housing in Manteo
- Any Trooper working the Currituck County posts may have to be housed in Elizabeth City or travel back to their duty stations.
