NEW LANGUAGE

.0505 DESIGNATION OF PRISON FACILITIES

(a) The Commissioner of Prisons will designate authorized facilities for admission and housing safekeepers. Safekeepers are housed apart from the general population except as noted below when inpatient medical and mental health services are required.

(1) Central Prison shall receive all adult males, age 18 and above, committed for safekeeping.

(2) North Carolina Correctional Institution for Women (NCCIW) shall receive and house all females committed for safekeeping.

(3) Foothills Correctional Institution shall receive and house males, age 17 and below, committed for safekeeping.

(4) Granville Correctional Institution shall house adult male safekeepers assigned to HCON.

.0508 RELEASE

(a) A copy of the Safekeeper Transfer of Custody form is required for release of a safekeeper. The receiving officer shall be required to sign this document, which will be retained by the facility.

.0511 TEMPORARY AWAY ASSIGNMENT

(a) Jails that are requesting to resume custody of a committed safekeeper should complete the Safekeeper Transfer of Custody form two business days in advance of the requested pickup date.

(b) For the temporary away assignment of a safekeeper, upon receipt of the completed form, DOP Population Management – Jail Section will contact the housing facility.

(c) The offender will be released from temporary away status upon notification from the local confinement facility, or upon expiration of three business days from the pick up date, whichever occurs first.

(d) Once an offender is released from the temporary away status, DOP will require a new safekeeper order signed by a superior or district court judge. The jail will be required to initiate the safekeeper commitment using the current process.
Safekeepers who are temporarily away from the designated facility will count towards the statutory limit of 200 since their bed is being reserved. The jail will continue to be charged the statutory safekeeping rate when the offender is on temporary away status and in the custody of the local jail.

Upon pickup from the designated facility, the safekeeper will be placed in temporary away status by the facility.

If a safekeeper has a change in medical status while assigned to temporary away status, the jail must contact the designated facility and have the safekeeper medically cleared prior to DOP reassuming custody of the safekeeper.
