Additional Information

Acknowledge the following statements (check all eight, or application will be considered incomplete):

This application includes complete and accurate information.

Any project having the potential to impact the environment, historic or cultural resources must submit an Environmental Planning & Historic Preservation (EHP) form.

Projects with funds allocated for Emergency Communications must meet applicable SAFECOM Guidance recommendations. Such investments must be coordinated with the NC State Interoperability Executive Committee (SIEC) to ensure interoperability and long-term compatibility.

Receiving HSGP funding requires annual Nationwide Cybersecurity Review (no cost).

Projects with funds allocated for equipment are required to check all equipment purchases against the FEMA Authorized Equipment List.

Any changes made to this grant application after the submission deadline must be approved by the NCEM Grants Manager, and an updated application must be submitted.

Submission of the project proposal does not guarantee funding.

Any person who knowingly makes a false claim or statement in connection with this application may be subject to civil or criminal penalties under 18 U.S.C. section 287, 18 U.S.C. section 1001, 31 U.S.C. section 3729 and N.C.G.S sections 1-605 through 618 (North Carolina False Claims Act).

If applying as a non-profit entity, the entity is operating on behalf of a council of government or as a regional or interstate governmental entity.

Sensitive Information (certify this statement only if applicable):

Check this box if this application includes or contains “security features of electronic data processing systems, information technology systems, telecommunications networks, or electronic security systems, including hardware or software security, passwords, or security standards, procedures, processes, configurations, software, and codes” that you certify is not subject to public release per N.C.G.S. 132-6.1(c).
