POLICY AND PROCEDURE

.3101 GENERAL

The North Carolina Department of Public Safety, Prisons has food technology programs coordinated through local community colleges. These programs teach offenders the basics of quantity food production and sanitation. Offenders completing this program should be recruited to work in facility food service departments which will improve the quality of offender food production workers and provide the offender with marketable skills for his/her career after prison.

.3102 LOCATIONS

The food technology programs are located at the following prisons: Roanoke River Correctional Institution, Eastern Correctional Institution, Harnett Correctional Institution, Johnston Correctional Institution, Richmond Correctional Institution, Orange Correctional Center, Pasquotank Correctional Institution, Craggy Correctional Center, and Southern Correctional Institution.

.3103 OFFENDER ELIGIBILITY

In order to qualify for enrollment in the food technology program an offender must possess a verifiable high school diploma or GED. They must be infraction free for ninety (90) days prior to enrollment.

.3104 SUPPLIES

The facility Food Service Manager/Supervisor is authorized to issue foods in stock to the program instructors. Foods issued must be in accordance with scheduled food labs. Items requested that are not routinely stocked by the facility may be purchased by the instructor with community college funds. The Food Service Manager/Supervisor shall maintain a record of all food issued to the instructor and its associated cost on the Record of Goods Dispensed Form. This form shall be forwarded to the Region Dietitian with the Monthly Report.
