(1) Generally, no offender will be eligible for off-site activities until classified in minimum custody.

(A) Upon promotion to minimum custody, offenders may be reviewed and assigned, if eligible, to off-site activity assignments.

(B) No offender will be assigned to an off-site activity until the request is reviewed and approved by the appropriate authorities as specified in applicable policies and procedures governing that specific activity.

(C) A complete record documenting the approval for participation in each of the allowable off-site activities will be completed and processed before placement.

(2) Approving Authority. The Warden or designee will be the approving authority for all off-site activities. As needed, the Manager of Classification or designee or Region Director can be consulted prior to a final decision being made for assignment to an off-site activity. Upon final approval, off-site assignment approvals shall be accepted and honored at all facilities.

(3) Eligibility requirements for specific off-site programs, jobs, and privileges (community leave passes, work release, home leaves, study release, labor contracts, etc.) can be found in the respective Prisons policies. An offender must meet the minimum eligibility requirements before being considered for any off-site activity.

(4) Privileges for off-site activities can be suspended or denied with appropriate justification from facility approving authorities.
