### **New Business:**

Chair Tamara Rabenold provided a year-in-review of significant Board activities, consisting of the following:

Screening Committee: A diverse group of professionals with many collective years of public safety experience. The Committee's primary goal is to protect the public from harm by ensuring only qualified persons obtain a license. In FY25, the Committee reviewed 324 license applications, interviewed 46 applicants, approved 291 licenses, and denied 18 applications.

Grievance Committee: A deliberate group representing several PPSB license types and non-licensed members of the public. The Committee monitors professional conduct, reviews complaint investigations, and recommends disciplinary action against licensees who violate regulations. In FY25, the Committee reviewed 97 complaint investigations, levied two civil penalties, suspended or revoked nine licenses, entered into 32 consent agreements, found *no violation* in seven cases, issued one letter of reprimand, issued 35 cease-and-desist orders, and filed four complaints for injunctive relief.

Training and Education Committee: The Board received in FY25 a record number (419) of trainer applications. The Committee is also moving forward with plans to overhaul the Board's continuing education program, to include receiving and processing online applications for continuing education courses. In addition, the Committee worked with the North Carolina Criminal Justice Education and Training Standards Commission to include in the 2026 law enforcement in-service training curriculum a 2-hour course on private protective services licensing and registration requirements.

Law and Rules Committee: Amended numerous administrative rules to bring consistency and clarity to selected rules. Notably, the Committee worked with the Alarm Systems Licensing

Board (ASLB) to amend its statute, NCGS 74D, to create a new license issued by the ASLB that will allow PPSB-licensed security guard and patrol companies to remotely monitor client security camera feeds and access control systems.

For the first time since the establishment in 1973 of Private Protective Services, both of its regulatory boards are chaired by women—Tamara Rabenold for the Private Protective Services Board and Caroline Brown for the Alarm Systems Licensing Board.

The Board was represented by one of its members or staff at numerous industry events, including the 2024 IASIR Conference; 2024 NCAPI Conference; 2024 International Protective Security Board Conference; 2025 National Association of Security Companies Conference; 2025 SCALI Conference; and 2025 Techno Security and Digital Forensics Conference. The Board's director, Paul Sherwin, was a presenter at five of these events.

The Board's attorney, Jeff Gray, was the recipient of the N.C. Bar Association's 2025 Administrative Law Award for Excellence.

Attorney Gray presented the Board with the proposed amendments to its bylaws, to include updating the months the Board meets, changing "Chairman" to "Chair," deleting numerous references to the Board by its full name, and ensuring consistent statutory citation style. Attorney Gray reminded the Board that notice of the proposed amendments was delivered to them by email on August 18, 2025.

Motion: Ron Burris motioned to approve the bylaws amendments. Stacy Buff seconded. The motion carried unanimously.

### **Director's Report:**

Director Paul Sherwin presented his Director's Report. The report included information about Board staff changes, the status of the Board's active licensees and registrants, and an update on Board finances.

Motion: Candace Ratliff motioned to accept the Director's Report. Andy Renfrow seconded. The motion carried unanimously.

*See the attachment for the complete Director's Report.*

### **Attorney's Report**

Attorney Gray presented his Attorney's Report, which included updates about the status of consent agreements, pending administrative rule changes, litigation, and legislative updates.

Motion: Kim Heffney motioned to accept the Attorney's Report. Andy Renfrow seconded. The motion carried unanimously.

*See the attachment for the complete Attorney's Report.*

### **Good of the Order**

### **Public Comment**

David Roebuck commented that the annual NCAPI Conference will be held October 21-22 in Atlantic Beach.

Board member Richard Epley and licensee Paul LaTorre, along with other Board members and staff, engaged in a conversation about the effectiveness and capabilities of the criminal history background check the Board conducts.

## **II. OFFICE OF ADMINISTRATIVE HEARINGS**

*See, Hearings List (Attachment 1).*

## **III. ADMINISTRATIVE RULES**

a. At its December 12, 2024, meeting, the Board voted, upon recommendation of the Law & Rules Committee, to approve amendments to nine administrative rules, 14B NCAC 16 .0701, .0707, .0801, .1203, .1301, .1307, .1401, .1501 and .1502. The Notice of Text for each was filed on January 9, 2025. The Public Hearing was held on Tuesday, February 18, 2025, at 2:00 p.m. at the Board's office. The Public Comment Period ended April 4, 2025. There were no comments written or oral. The Board voted to approve these rule amendments at its May 15<sup>th</sup> meeting.

The Submission for Permanent Rules forms for each were filed on May 20, 2025.

I received almost two dozen requests for technical changes, which I made, then suddenly, three days before the Rules Review Commission meeting, received two objections to four rules. (Regarding two of these four rules, they have existed for 41 years, and have been reviewed 13 times with no objection, the most recent being August 2024.) I appeared at the Commission's meeting on June 26<sup>th</sup> and argued against both objections. I was successful as to one (the fee charged by Permitium and the credit card transaction fee) but unsuccessful as to the second. The "period of review" was extended to allow me the opportunity to comply with the Commission Counsel's demand.

I revised the four rules in question using identical language from a rule for another State agency that was approved at the Commission's June meeting. All nine of these amended rules were considered at the Commission's meeting on August 28, 2025. Although I used previously approved language, the Commission objected to the same four rules, .0701, .0801, .1301, and .1401. The other four rule amendments and the adoption were, however, approved. They are attached as Attachment 2.

It is now necessary that the Board begin anew with the four rules objected to by the Commission.

b. At its March 20, 2025, the Board voted, upon recommendation of the Law & Rules Committee, to amend two rules so as to require a license number in any advertising and to "modernize" the polygraph license process. It also voted to adopt a rule setting forth procedures to obtain a declaratory ruling. The Notice of Text was filed on April 7, 2025. The Public Hearing was held on Tuesday, May 20, 2025, at 2:00 p.m. at the Board's office, and the public comment period ended June 30, 2025. There were no public comments, written or oral.

The Submission for Permanent Rule form for each rule was filed on July 17, 2025 and I made numerous technical changes at the request of the Rules Review Commission staff attorney. These rule amendments and the adoption were also heard and approved at the Commission's August meeting.

A copy of the approved rule amendments and adoption are also attached as Attachment 2.

c. Passage of Senate Bill 710 (S.L. 2025-51) necessitates the amendment of numerous administrative rules. Additionally, the Law & Rules Committee and the Board have proposed other rule amendments which I have been holding pending passage of Senate Bill 710. Further, the Board also needs to obtain approval of the above-mentioned four rules.

Amended rules are attached as Attachment 3. These rules were considered at this morning's Law & Rule Committee meeting.

A motion to approve these rules as amended is in order for today's meeting.

#### **IV. LITIGATION**

a. At its October 2024 Board meeting, Lawrence Garcia and Ameriguard Security Services were disciplined for failing to register armed and unarmed security guards and failure to

cooperate with an audit. Mr. Garcia requested a hearing before the Office of Administrative Hearings and the Administrative Law Judge upheld the Board's action. The Board adopted his Proposed Proposal for Decision as its Final Agency Decision at its May 14, 2025, meeting.

Mr. Lawrence, as QA, did not attend the FAD hearing.

He did, however, retain an attorney to petition for judicial review. On the evening before a hearing on a Motion to Extend Time to File a Petition for Judicial Review, his attorney withdrew the Motion. No Petition was filed before the time to do so expired.

## V. LEGISLATION

a. House Bill 193, Firearm Law Revisions, would allow an employee or volunteer of a non-public (i.e. private) school to carry a firearm or a stun gun on educational property that is owned, used, or operated by the non-public school if: 1) the person has written authorization from the school board of trustees or its administrative director to possess and carry the firearm or stun gun; 2) the person has a valid North Carolina or out-of-state concealed handgun permit; 3) the person annually completes an additional eight hours of training on gun safety and the appropriate use of firearms; and 4) the non-public school adopts and maintains written standard operating procedures for the carrying of a firearm or stun gun on educational property and distributes them to the parents of students at the school annually.

Currently, active and retired law enforcement officers who are LEOSA compliant may possess and carry firearms on unposted private elementary or secondary school property. However, ordinary concealed handgun permittees may only possess on school grounds (public or private) pursuant to limited exceptions.

It would also allow an individual who possesses a valid North Carolina or out-of-state concealed handgun permit, or who is exempt from having to obtain one, to carry a handgun on non-public educational property that also houses a building that is a place of religious worship, even during school operating hours, if the individual carries the handgun in the building that is a place of religious worship while the person is attending worship services, funeral services, wedding ceremonies, or other religious functions. Currently, a person is only allowed to carry a handgun in these circumstances outside of school operating hours.

It passed the General Assembly on June 26, 2025, and was vetoed by the Governor on July 9<sup>th</sup>. The veto override vote is calendared in the House for July 29, 2025.

b. House Bill 402, NC REINS Act (S.L. 2025-82), requires legislative review of any administrative rule with a "substantial economic impact" of one million dollars or an aggregate economic impact of at least 20 million dollars over a five-year period. "REINS" stands for "Regulations from the Executive in Need of Scrutiny." It was effective July 29, 2025.

I am not concerned the Board would suggest or approve a rule that could reach the threshold.

c. House Bill 763, Neighbor State License Recognition Act (S.L. 2025-61). This bill requires all licensing boards, except 11 categories of licensees or individual licensees, of which alarm business licensees are not one, and the State Bar (attorneys), to recognize a license issued by a similar licensing agency in any state contiguous to North Carolina—plus West Virginia—if the licensee **establishes residency** in North Carolina, subject to certain conditions such as licensure greater than one year and good standing.

An additional condition is that the licensee “demonstrates competency in the profession through methods determined by the board.”

It is effective October 1, 2025.

After discussion, Director Sherwin and I are of the opinion that no additional administrative rules, or amendments to existing rules, are necessary.

d. House Bill 926, Regulatory Reform Act of 2025, makes changes to numerous individual licensing boards statutes, as well as proposes a constitutional amendment regarding condemnation. Two provisions in this omnibus bill, if passed, could affect the Board.

The first would extend from 15 to 45 the number of days that must be given for notice of a contested case before the Office of Administrative Hearings.

The second would require the Board to engage in informal negotiations with the applicant, registrant or licensee prior to denying, suspending or revoking a registration or license, and prior to a contested case hearing. (This last provision would not be an issue since the Board already has such a procedure.)

Passed the House on June 24, 2025, and was referred to the Senate Committee on Rules.

e. Senate Bill 451, Occupational Professional Licensing Relief, would require 26 enumerated boards to cut their required continuing education hours in half (i.e. “by fifty percent (50%)”) or double the amount of time the licensee has to comply (i.e. if 12 months, then 24).

For seven enumerated boards whose requirements are set forth in their administrative rules, the board is required to amend its administrative rule(s). For 16 other boards—including the Alarm Systems Licensing Board--the bill actually amends the board’s statute (here, G.S. 74D-4(e1); *see*, Attachment 4) and instructs the board to adopt rules to implement the change. In the case of the Board, it would mean amending (or re-writing) 14B NCAC 17. 0502.

Referred to the Senate Committee on Regulatory Reform April 7, 2025, and was debated, in committee without a vote, on April 16<sup>th</sup>. (Interestingly, the identical language of the bill briefly appeared in another bill, HB 763, above, by way of committee substitute but was subsequently removed.)

f. House Bill 949, School Protection Act, would allow a person hired as an armed security guard to possess a firearm on nonpublic educational property so long as the armed security guard is also a sworn law enforcement officer. Currently, a civilian licensed by the North Carolina Private Protective Services Board as an armed security guard may not possess a firearm on either public or nonpublic educational property (unless employed as a security guard for a hospital or health care facility located on educational property).

This bill was first referred to the House Education, K-12 Committee, then re-referred to the House Judiciary 2 Committee.

g. Senate Bill 280, Private School Security Act, would allow **employees or volunteers** of private schools to carry firearms or stun guns on educational property owned, used, or operated by the private school if: (1) the employee or volunteer has written authorization from the school board of trustees or school director to possess and carry the firearm or stun gun; (2) the employee or volunteer has a valid concealed handgun permit; (3) the employee or volunteer completes a minimum of eight hours of specific training in addition to the safety course required for the concealed handgun permit; and (4) the private school adopts and maintains minimum written standard operating procedures regarding possession and carrying of firearms and stun guns.

The bill would also allow a person in a place of religious worship that is located on educational property owned, used, or operated by the membership of the place of religious worship to possess weapons while attending worship services, as detailed in the bill.

Currently, the law allows a person to carry a handgun on private elementary, middle, or high school educational property that is also a location of religious worship if the handgun is only possessed and carried outside of school operating hours and a conspicuous notice has not been posted prohibiting the carrying of weapons.

This bill passed the Senate on May 8, 2025, and has been referred to the House Rules Committee.

h. Senate Bill 50, Freedom to Carry NC, would allow any person who is a citizen and 18 years of age or older to carry a concealed handgun in the State without a concealed handgun permit unless they are disqualified under various terms detailed in the bill, which are generally the same disqualifiers to obtaining a concealed handgun permit (e.g. being a fugitive from justice, a convicted felon, an unlawful user of an illegal controlled substance, etc.).

It passed the General Assembly on June 12<sup>th</sup> but was vetoed by the Governor. It has been referred to the Senate Committee on Rules.

i. Senate Bill 355, Support Department of Adult Correction, Section 2.2(a) extended the sunset date for use of contract security guards at State prisons to June 30, 2027.
