By signing the GRANT AWARD, the subrecipient agrees to comply with the terms and conditions detailed herein. Failure to comply with the terms and conditions may result in the loss of Federal funds and may be considered grounds for the suspension or termination of this grant.

This award is subject to the following terms, conditions, and provisions:

GCC REQUIREMENTS

1. Requirements of this award; remedies for non-compliance or for materially false statements (Revised 2020)

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice (DOJ) may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to this award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the OJP webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (https://ojp.gov/funding/LegalNotices_AwardReqs.htm), and incorporated by reference into this award.

The subrecipient certifies that it has the authority to make the following representations on behalf of the applicant agency and that these representations will be relied upon as material in any GCC decision to make an award to the subrecipient based on the application submitted.

The subrecipient certifies that it has the legal authority to apply for the federal assistance sought by the application, and that it has the institutional, managerial, and financial capability (including funds sufficient to pay any required non-federal share of project costs) to plan, manage, and complete the project described in the application properly.

A. The subrecipient assures that, throughout the period of performance for this award, it will –

- (1) comply with all award requirements and all federal statutes and regulations applicable to this award;
- (2) maintain safeguards to address and prevent any organizational conflict of interest, and also to prohibit employees from using their positions in any manner that poses, or appears to pose, a personal or financial conflict of interest.

By signing and accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized subrecipient official, all assurances or certifications submitted by and on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements – whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period – may result in GCC taking appropriate action with respect to the subrecipient and the award. Among other things, GCC may withhold award funds, disallow costs, or suspend or terminate the award. GCC also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement made to GCC or to the federal government, related to this award (or concealment or omission of a material fact), may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729- 3730 and 3801-3812).

The Executive Director of GCC, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or terms and conditions of this award, may terminate or suspend grant funding until the Executive Director is satisfied that such failure no longer exists.

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award

2. **Applicability of Part 200 Uniform Requirements:**

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the United States Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards, see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the subrecipient must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subrecipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide:

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The subrecipient agrees to comply with the DOJ Grants Financial Guide.

4. Compliance with GCC Grants Management Guidelines

The subrecipient agrees to comply with all of the GCC Grants Management Guidelines as posted on the GCC website (currently, the "Governor's Crime Commission Grants Management Guidelines 2020 - 2021" available at <https://files.nc.gov/ncdps/documents/files/GCC-Grant-Management-Guidelines-2020-2021.pdf>), including any updated version that may be posted during the period of performance.

5. Reclassification of various statutory provisions to a new Title 34 of the United States Code:

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP funding awarded by GCC, including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

6. Requirements related to "de minimis" indirect cost rate:

A subrecipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report duplicative funding

If the subrecipient currently has active awards for federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subrecipient must promptly notify GCC in writing of the potential duplication, and if so requested by GCC, must seek a budget-modification or change of scope grant adjustment to eliminate and inappropriate duplication of funding.

Questions about E-Verify should be directed to the United States Department of Homeland Security (DHS). Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to subrecipients that are faith-based or religious organizations.

See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the subrecipient to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.
